- What career services are offered by the college?
- Does the college help students find internships and jobs?

## **SPECIAL INTEREST**

- Other questions specific to your interests

## Notes

Record your impressions of colleges and the answers provided by admission representatives. Rate each college based on your impressions and how well the college suits your needs:

- **1** = College that does NOT have what I'm looking for.
- **10** = College that meets my needs in almost every aspect. I need to apply to this school.
